01 Profile

Network and systems engineer with **15+ years of experience**, currently at **OmniAccess** designing and implementing network and virtualization solutions for enterprise clients. Practical approach, with a strong focus on **MikroTik**, **FortiGate**, **Proxmox** and secure remote access with **BeyondTrust**. Off the clock I run a homelab and build AI-powered side projects.

02 Experience

OmniAccess · Palma

Nov 2021 – present

Network Solutions Engineer — Mar 2024 – present

Virtualization and VM management in Proxmox and VMware. Design and implementation of robust, secure network solutions for enterprise clients.

Senior Service Delivery Network Engineer — Jan 2024 – Mar 2024

Leadership in network service delivery and management of critical infrastructure projects for corporate clients.

Service Delivery Network Engineer — Nov 2021 – Dec 2023

Network service delivery and specialized technical support for telecommunications infrastructure (Cisco, FortiGate, KVM).

SAMPOL DIGITAL SL · Palma

Jun 2020 – Nov 2021

NOC N2

- Network monitoring and maintenance: Ethernet, CCTV, IPTV, VoIP and Wireless.
- L2 troubleshooting in multi-vendor environments.
- Cisco and Huawei WLC administration and switching configuration.
- Core network operations with Cisco and MikroTik (RouterOS) and GPON provisioning.

Freelance · Palma

2010 – 2021

Network & Systems Specialist

- Virtual servers (VMware, Hyper-V), MikroTik RouterOS and Raspberry Pi thin clients; video surveillance, UniFi and 3CX.
- Centralized OpenVPN networks with MikroTik, Ubiquiti airMAX links, OpenWRT routers and LAN/Wi-Fi networks.
- Built a web app for real-time monitoring of photovoltaic inverters; support for solar plants and businesses.

03 Stack

Networking	**MikroTik RouterOS** · **FortiGate** · Cisco · Huawei · Ubiquiti · OpenWRT
Virtualization	**Proxmox** · Docker · Hyper-V · VMware · LXC · Portainer · Dokploy
Remote access	**BeyondTrust PRA** · **ZeroTier** · Tailscale · WireGuard · OpenVPN
Systems	Linux · Windows Server · Raspberry Pi · 3CX · Rundeck · CCTV · Network monitoring
Certifications	BeyondTrust Certified Administrator (Privileged Remote Access) · Huawei HCIA Access

Bold: core specialty
